

Patricia Glaza

Principal, Arsenal Venture Partners

Patricia (Patti) Glaza is a Principal at Arsenal Venture Partners and balances her time between investment identification and evaluation, portfolio development, and helping support the entrepreneurial community. She has spent over twenty years dedicated to the development, implementation and commercialization of advanced technologies. Patti currently sits on boards for the Clean Coalition, The University of Michigan WIMS Center, and CTSI, where she chairs the organization's annual defense and utility technology challenges. Prior to joining AVP, Patti served as a Founder and the Executive Director/CEO of the Clean Technology and Sustainable Industries Organization (CTSI). Patti is a graduate of Michigan State University with a BA in International Relations and Economics, and has her MBA from the University of Michigan, Ann Arbor.
